## SINGLE SIDED CUT STACKS...

### 1) Open your PDF Document

In this Example I have opened a 500 Page PDF document and I would like to Create a 4up Single sided cut stacks. When Complete you can cut the sheet and stack them on top of each other and these pages Will be consecutive (e.g. Pages numbers 1-125 would be in stack 1 and 126 - 250 in stack 2 and so on...).

*Note: I have chosen to make this signature with "Single Cut Stacks". If you are unfamiliar with his printing term please review your Quite Imposing Guide for clarification.*

### 2) To access Quite Imposing Plus, simply Select >Plug-ins and then >Quite Imposing Plus from Acrobat's Menu bar. Alternately, selecting >Plug-ins from the Menu bar and then >Quite Imposing Plus >Imposition Control Panel as shown here.

### 3) Click **Shuffle pages..** button *A dialog box will appear.*

*Note: In this dialog we will ask you a series of questions and give you options that will work best for the particular job you are running.*

### 4) In this Example I've Selected Number of pages in Each Group 4

### 5) Click on **Repeat...** button *A dialog box will appear (not shown here). Select 3. Single sided cut stacks. Click OK button to get back to Shuffle pages Dialog box.*

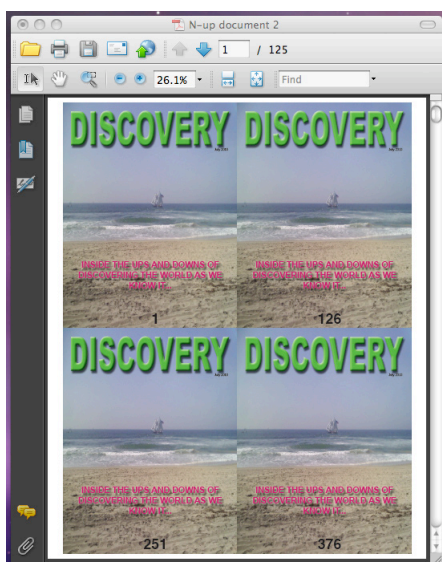

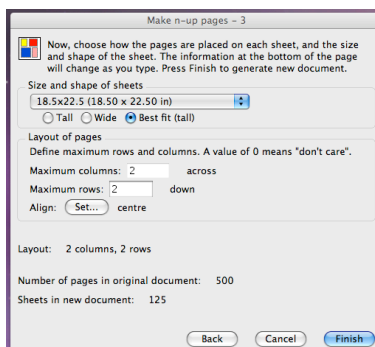

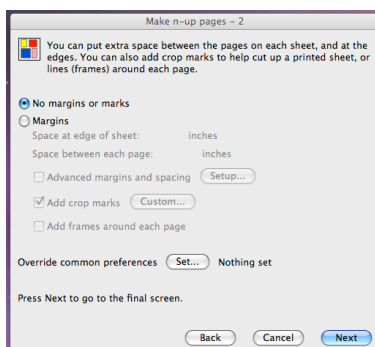

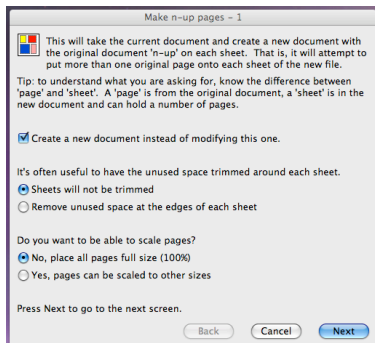

### 6) Now, in the **Rules** section type in 1 2 3 4 Click **OK** button

*Note: Don't forget to put space after each number.*

## SINGLE SIDED CUT STACKS... Continued

- 7) Now Select **n-up pages...** button  
*A dialog box will appear.*

Select

- Sheets will no be trimmed
- No, place all pages full size (100%)

- 8) Click **Next** button to continue  
*A dialog box will appear.*

In this Example I have selected

- No margins or marks

*Note: If you needed marks or margins, this is the place to add them.*

- 9) Click **Next** button to continue  
*A dialog box will appear.*

In this Example I have selected

Size and shape of Sheets to be a specific size. Also, selected Best fit tall and Aligned Centre.

*Note: If you don't see the size you need in the Defaults just go to More Choices and add the size you need.*

- 10) Click the **Finish** button

*Note: You can now see the finished piece and are able to Print or Save your Single Cut Stacks.*

*Final Note: If you need any help setting up your particular signature, Please review our on-line help manual or contact us at [help@quite.com](mailto:help@quite.com).*

*We will be happy to assist you.*
